

## Westosha Flying Club Spring Safety Seminar

Jeff Taylor of the Wisconsin Department of Transportation will discuss using the iPad for flying. He will have information for those thinking of investing in as well as those who are already using the iPad.

We will also discuss Garmin 430 WAAS operations for VFR and IFR pilots.

Refreshments start: 8:30 am

Seminar start: 9:00 am

Seminar end: Noon

**Directions:** Follow airport entrance road until it ends at the parking lot next to the Westosha Flying Club's blue hangar.

### A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASafetyTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
